

Product series	17W AR111/CDM-R LED Spotlight
Light source	1 piece sharp 15W LED
Power	17W
Input voltage	12V AC/DC, 110V or 230V AC
Color temperature	2600K-3000K (Warm White)
	4000K-5000K (Natural White)
	5000K-6000K (Cool White)
Power factor	≥ 0.9
CRI	>80 (Warm White)
	900lm±5% (Warm White)
Luminous flux	1000lm±5% (Natural White)
	1100lm±5% (Cool White)
Lifespan	≥ 30,000 hours
Housing material	Aluminum die casting
Base option	GX53, GX8.5, GU10, E27
Beam angle	15°,35°,45°
Safety standard	CE, RoHS
Weight	212 ± 2g
Working temperature	-20°C- 40°C
Dimmable	No
Warranty period	2 years
Typical applications	Energy saving programs, sustainable energy, landscape accent lighting, retail store lighting, display case accent lighting, home lighting, general lighting.
Main features	Without a direct view of the light source, our 17W AR111/CDM-R LED Spotlight comes with high color rendering index and a wide range of beam angles.
